

# What does the Stay-At-Home Order mean for 15 Craigside and Arcadia?

The Stay-At-Home Order is effective August 27, 2020 and will extend through September 9, 2020. Below is how the order will affect life for residents residing at 15 Craigside and Arcadia:

- Beauty Salons at both 15 Craigside and Arcadia will remain open and continue to provide services with infection prevention measures.
- The Massage Therapist at 15 Craigside will continue to provide massage services and practice infection prevention measures.
- The Shuttle will continue to provide transport to medically necessary medical appointments. Please work with your physician directly on what is medically necessary.
- Garden and window visits (Arcadia) and outside family visits (15 Craigside) will be suspended.
- Bank runs will continue on its current schedule.
- Window visits at 15 Craigside's Health Care Center are suspended.
- Family visits will continue for residents who are on hospice or end-of-life care at Arcadia. 15 Craigside will suspend hospice or end-of-life care visits at this time until further notice.
- If a resident chooses to go out, he/she will not be required to quarantine for 14 days if he/she leaves the community for non-essential appointments or outings.
- Drivers Licensing Centers and Satellite City Halls will be closed for in-person transactions through September 9, 2020.
- Outside contractors will not be allowed in either community unless it is deemed a necessary service or emergency.
- Families who are closing out resident apartments will be asked to pause during this two-week Stay-At-Home Order.
- Both communities will continue moving in new residents. New residents will not be subject to a 14-day quarantine when moving in.

**>> MORE >>**

- When in the main lounge at both communities, please make sure to keep groups to no more than five people. Please do not move the main lounge furniture.

Finally, we all must continue to do our part during this Stay-At-Home Order by:

- Staying home if you do not need to go out
- Washing your hands
- Watching your physical distancing
- Wearing your mask
- Not gathering in groups larger than five people
